

Sachem Central Teachers' Association Presents  
***One Night, One Mission***

**A fundraising event supporting people battling all cancers.**

Dear Business Owner,

For those of you who may not know, the Sachem Central Teachers' Association (SCTA) has been raising tens of thousands of dollars in support of those affected by cancer. Once again, we are continuing to fundraise for Mondays Cancer Care, a local non profit in Sayville, NY.

The SCTA is devoted to helping those courageous individuals suffering from various types of cancer. We are holding a special event titled, One Night, One Mission at Sunset Harbour Catering, E. Patchogue, in hopes of increasing our donation. On November 12, 2026, SCTA members, their families and friends, will share an evening together for this important cause. The night will include dinner, gift baskets, gift certificates and donations of all kinds. We would love it if you would be willing to make a donation in the form of a gift card or certificate. Additional donations in the form of checks can be made out to Sachem Central Teachers' Association, Cancer Fundraiser. Your business will be advertised during the event and listed in the program that evening.

We greatly appreciate your consideration and contribution to this most worthy cause.

Thank you in advance,

Philip Barbera,  
SCTA President
